MUSTARD SEED THE ALBUM

Nutty O Di Bwoy debuted his album in September 2021. Projected as the climax of his career thus the Mustard Seed metaphorically explaining transformation from something deemed underground to a phenomenal proof of existence, the album has lived to surpass expectations. Already viewed as one of the significant artists of the country, this project confirms him as one of the biggest in the country. The album has 14 tracks touching on various sounds, philosophy, commentary and entertainment, opening up Nutty O's versatility and sensitivity to the rest of the world.

As a much anticipated project for almost half a decade now, the Mustard Seed album was launched in a unique, classy and impactful way especially bearing in mind the current Covid19 lockdown situation. Nutty O is enjoying a career bulge from the time the pandemic lockdown started, paying special attention to the increased successes reached by Jehovah Musatsiye, Safe(album pre-release) and Kokai music projects, and the Mustard Seed album has succeeded the projected anticipated global impact.

To put the icing on the cake, the project featured other nationally and internationally acclaimed Music brands such as **Stonebwoy** (BET Award Winning Ghanaian Dancehall Superstar-living Legend) , **Demarco**(Multi-Award Winning Jamaican Dancehall World Superstar), **XQ** and **Kae Chaps** (Juzi Hitmaker), To ensure a fine delivery of Nutty O's versatility a host of nationally and internationally acclaimed producers, beatmakers and sound engineers came together to deliver a world class project, Mustard Seed. These are **DJ Tamuka, Pablo, Rodney Beatz, Jusa Dementor.**

The Mustard Seed has recorded high streaming stats for the artist across Digital Stores platforms. To top that Handipere Power a powerful song from the Album has taken the Song of the Year nominations and award in the country's top prestigious awards programs.
